

Community Grant Program

At Nucor Steel West Virginia (NSWV) we are committed to being a good neighbor in the state of West Virginia and our surrounding communities.

Who is Eligible?

Donations, monetary and volunteer hours, will be considered for 501(c)(3) nonprofit organizations, and projects, sponsorships, programs, and/or events – provided they fall under at least one of our core pillars of philanthropy:

- *Community and Civic Engagement* - We support community and civic engagement initiatives that help enhance the quality of life in our communities.
- *Educational Initiatives* - We support educational enrichment initiatives that enrich our communities, especially those with a focus on STEM (science, technology, engineering and mathematics) and that promotes the strength and excellence of our industry.
- *Health and Environmental Impacts* - We support initiatives that encourage a healthier quality of life in our communities, and those that encourage the conservation and appreciation of our natural assets in our region.

Grant funding must be used within one year of receipt to complete a project and range in value to up to \$5,000, although exceptions may be made. (Exceptions may be made at Nucor Steel West Virginia's sole discretion.)
